

# Venn Health Partners: Connecting the Dots... For Big Data & Analytics-as-a-Service

Virtualized and collaborative data management and analytics

## Flexibility

With Venn, you always have the right best-of-breed tool for the job. You can accommodate change and easily leverage future technology innovation.

## Agility

Deliver data projects quickly, and retain IT governance. Integration is fast and seamless. Cloud-speed implementation, with automated provisioning that saves skilled resources for the most value-adding work.

## Value

The economies of cloud services mean Venn can process big data workloads at 1/5th the costs of traditional alternatives. Buy only what you need, and easily scale as workloads grow.

## Trust

Venn's secure gateway and end-to-end encrypted cloud architecture ensure your data stays HIPAA-compliant and safe, both on the wire and at rest.
